

ENRIQUE GIOVANNI BATTISTA DJOU

Information Systems Graduate | Web Development | Front-End & Back-End Enthusiast

Depok, West Java, Indonesia • djou707@gmail.com • <https://www.linkedin.com/in/enrique-giovanni-battista-djou/>

PROFILE

Information Systems graduate from Gunadarma University with a strong passion for Web Development. I enjoy building responsive, user-friendly, and functional web applications while continuously exploring modern web technologies. With knowledge of front-end and back-end development, JavaScript, React, databases, and cloud technologies, I am passionate about turning ideas into practical digital solutions. I continuously develop my technical and problem-solving skills through academic and personal projects and am currently open to opportunities in Front-End Development, Web Development, and Software Development.

EXPERIENCE

Program Participant | Dicoding React & Back-End with AI Cohort — Asah by Dicoding

August 2025 – Present (1 yr 1 mo)

- Participating in the Asah by Dicoding program on the React & Back-End Development track, enhancing skills in building scalable and efficient web applications using modern technologies such as React.js, Node.js, and Express.
- Collaborating with a team on a capstone project, developing a full-stack application that integrates both front-end and back-end functionalities.
- Applying best practices in API design, database management, and responsive UI development, while strengthening teamwork, communication, and problem-solving skills.

Assistant of Information Systems Laboratory | Gunadarma University (Contract)

September 2024 – September 2025 (1 yr 1 mo) • On-site, Depok, West Java

- Assisted students during practical laboratory sessions, including supervising, assessing assignments, and guiding students through programming exercises according to the given material.
- Relevant skills: Public Speaking, Adobe Flash, Figma, R Language.

Coordinator of Department | KMK Gunadarma (Full-time)

July 2024 – June 2025 (1 yr)

- Served as Coordinator of Development of Student Resources and Creative Works, helping to develop student talents in sports and creativity.
- Held full responsibility for the organization's tournaments.
- Relevant skills: Team Leadership, Public Speaking.
